### **Porridge Competition**

SB was contacted about Paul O'Grady Show filming it and putting in a contestant. General agreement that serious nature of judging might not fit with humour of that show. Further discussion will be held

### **Duck Race**

Held 26<sup>th</sup> August – after 2 postponements due to height of river. No Health & Safety problems. SB has thanked all the helpers in writing. Ian MacFarlane received a complaint that race was not held. Agreed that results should be better publicised – but this year the Strathy had a photographer there on the day and had received a short piece, and neither had been published
