Secretary's Report

Changes in Scottish Planning System Ward Forum on 22nd April will have information

Glenkirk Wind Farm Letter: Eurus willing to pay total Community Benefit of £2000 per MW; there are 5 Communities who could be involved. Tomatin objecting in principle (they already had large Benefit from the Farr Windfarm). After discussion on the environmental versus benefit for our village, it was agreed to continue negotiations with Eurus, noting that environmental issues will continue to be important

Licensing – Carr-bridge Hotel No issues

CarrBridge Community Council Insurance Renewal Documents received. We pay £185.90 which comes off our Grant from HC. Our Policy includes Buildings and Contents Insurance for Bowling Club, but not the Green

Any Other Business

Litter on roads round Carr-bridge SBlack has noticed it and reported it

Lighting on new road in Duthil Letter asking for our opinion. Agreed to ask residents themselves. **CN and RMcI** will visit

People's Millions **LC** agreed to investigate potential

Lochanhully Path Chris Goodman has asked to walk it with us. **SB** to reply and circulate date

New marquees If these are to be hired, we must have insurance provided for them. Discussion on whether we should hire them as local people have to erect and take down. Dougie Edwards to be asked about costs of doing this – previously he was against it with the difficulty of getting volunteers. Gamekeepers at Moy might be only people interested? **SB** to phone Dougie. **RMcI** would be prepared to help him

Mrs Renee Been at School for 19 and half years and now retiring. **CN** to find her address and **KA** will write

Date of next meeting Thursday 30th April at 7.30pm in Village Hall
